

Higher Tier	*Component/paper code 4MA1/1H and 4MA1/2H
<ul style="list-style-type: none"> Externally assessed Availability: January and June First assessment: June 2018 Two papers: 1H and 2H 	Each paper is 50% of the total International GCSE
<p>Content summary</p> <ul style="list-style-type: none"> Number Algebra Geometry Statistics 	
<p>Assessment</p> <ul style="list-style-type: none"> Each paper is assessed through a 2-hour examination set and marked by Pearson. The total number of marks for each paper is 100. Questions will assume knowledge from the Foundation Tier subject content. Each paper will assess the full range of targeted grades at Higher Tier (9–4). Each paper will have approximately 40% of the marks distributed evenly over grades 4 and 5 and approximately 60% of the marks distributed evenly over grades 6, 7, 8 and 9. There will be approximately 40% of questions targeted at grades 5 and 4, across papers 2F and 2H, to aid standardisation and comparability of award between tiers. A Higher Tier formulae sheet (<i>Appendix 5</i>) will be included in the written examinations. A calculator may be used in the examinations (please see <i>page 42</i> for further information). 	

* See *Appendix 1* for a description of these code and all the other codes relevant to this qualification.
